

ALL ONE OCEAN

A project of Earth Island Institute

Educating our Communities, Protecting our Ocean

All One Ocean Ocean Warriors Intern 2019 Job Description

Reports to: Director

Hours per week: 10-15 hours per week

Location: work from home (must be based in San Francisco Bay Area)

Description of the organization:

All One Ocean's mission is to educate our communities about litter entering our waterways and how it affects our health and our environment. We believe the solution to degradation of our waterways starts with education, and we provide crucial education through our two primary programs: Ocean Warriors (OW), our elementary school environmental leadership program, and our Beach Cleanup program. Bay Area based All One Ocean, a Project of Earth Island Institute, was founded by Hallie Iglehart in 2010 after encountering a seagull entangled in fishing line on her daily beach walk. Iglehart untangled the bird, but knew her work wasn't finished and she developed a simple yet powerful tool – Beach Clean Up Stations, which have been used to remove over 1.1 million pieces of trash since their inception. Since 2011, All One Ocean has installed over 54 Beach Clean Up Stations in California, Baja, Hawaii, Iowa and Alabama. Complementing this work we focus our education primarily around Ocean Warriors, our third-grade environmental leadership program and monthly beach clean ups. Ocean Warriors is focused on our youth. This yearlong, Project-Based Learning program is a sustainable approach to changing behaviors at the source and creating a new generation of environmental leaders, making beneficial daily choices for our environment. Tying in our Ocean Warriors and Beach Clean Up Station programming, we organize education based beach clean ups to entire communities focused on community building, team work and gaining a deeper understanding of how pollution effects our global eco-systems.

Summary: The position of Ocean Warriors Intern will be for at least 6-9 months, with the potential to be renewed based on performance. This position will assist the Director with the development and implementation of our Environmental Leadership Program.
