

ALL ONE OCEAN

A project of Earth Island Institute

Educating our Communities, Protecting our Ocean

Creative Writing Intern 2017 Job Description

Reports to: Director

Hours per week: 10-15 hours per month

Location: work from home

Description of the organization:

Bay Area based All One Ocean, a Project of Earth Island Institute, was founded by Hallie Iglehart in 2010 after encountering a seagull entangled in fishing line on her daily beach walk. Iglehart untangled the bird, but knew her work wasn't finished and she developed a simple yet powerful tool – Beach Clean Up Stations, which have been used to remove over 1.1 million pieces of trash since their inception. Since 2011, All One Ocean has installed over 37 Beach Clean Up Stations in California, Hawaii, Iowa and Alabama. Each year our Beach Clean Up Station Program educates 55,000 people/year about marine pollution and inspires them to reduce their waste. With the success of our Beach Clean Up Stations we are expanding our litter education with Ocean Warriors, an Environmental Leadership Program, in the San Francisco Bay Area.
